

VALIDATION REPORT

DATE: 29-04-2026

Business Name and Department

Business Name: Kalaimagal Store

Location: Dharapuram Road, Uthiyur, Kangayam

Department: Sales

1. Validation Process

The dashboard design was shown to the shop owner and staff to check whether it meets their requirements. The purpose was to confirm that the dashboard is useful for the business.

2. Feedback from Stakeholders

The shop owner said that the dashboard is helpful to understand sales and stock easily. The KPI section is useful to quickly see important values. The staff mentioned that the table section helps to view product details clearly.

3. Improvements Suggested

Some small suggestions were given:

- More product details can be added
- Additional filters can be included

4. Final Confirmation

After checking the dashboard, the stakeholders confirmed that it meets their basic needs and is useful for the shop.

5. Proof of Validation

Screenshot of the validation meeting is attached.
